

MEMORANDUM FOR: Legislative Counsel

SUBJECT: H.R. 5007, Proposed "Overseas Differentials and Allowances Act"

1. The Office of Logistics has completed a review of H.R. 5007 which was referred to this Office by your memorandum of 19 March 1959. We have compared its provisions with H.R. 3527 (85th Cong., 1st Sess.), and we have reexamined your memorandum to the Deputy Director (Support) dated 28 February 1958 entitled "Overseas Employees' Fringe Benefits Act", commenting on H.R. 3527.

2. The changes made by the new H.R. 5007 to the old H.R. 3527 are unobjectionable insofar as they affect this Office except in one important particular. In lines 1-3 on page 16 of H.R. 5007 there is a new sentence excluding CIA from proposed subsection (f) of 5 U.S. Code 73b-1. The effect of this is to prevent the use of that subsection as our authority to ship motor vehicles to Alaska, Hawaii, the Canal Zone and Puerto Rico. Since section 4(a) of PL 110 relates only to posts outside the continental limits of the United States, its territories and possessions, it does not serve to authorize the transportation of motor vehicles to the above areas. Such transportation could be accomplished under the proposed subsection (f) of 5 U.S. Code 73b-1. The wording which we question did not appear in H.R. 3527, and in our view section 331 of that proposal correctly expressed the CIA requirements.

Remarks: Please add these to the OL letter signed by Mr. Garrison - a couple of typos slipped into the copy he signed - the attached corrects them. They had nothing to do with the substance of his original memorandum (which I wrote in the first place.)
